

Dental Office Implementation Guide

FEP BlueDental Announcement

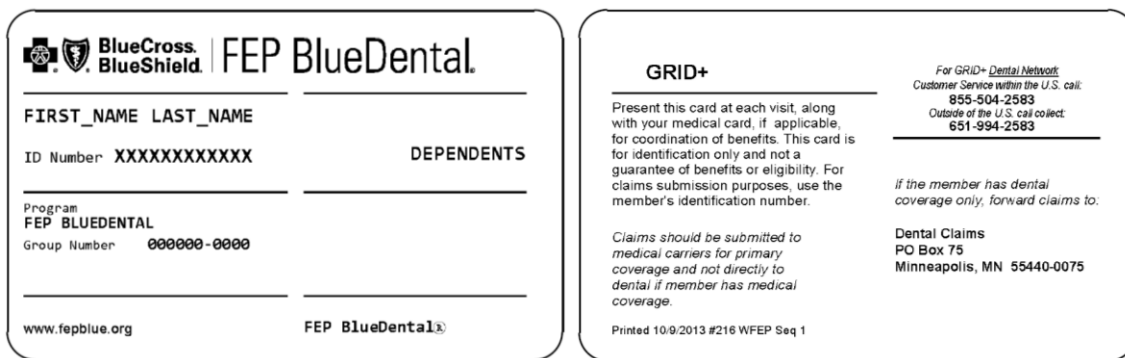

The Blue Cross Blue Shield Association (BCBSA) has partnered with the GRID Dental Corporation (GDC) to administer FEP BlueDental. FEP BlueDental members will be able to utilize the GRID+ network as an in-network provider source. By participating in your local Blue Cross and Blue Shield plan you will now have access to FEP BlueDental members. The member's card will be identified with FEP BlueDental, along with the claims submission address and customer service number to verify benefits.

Identification Cards

Each member enrolled in FEP BlueDental receives an identification card (ID Card). The ID card will indicate provider network (GRID+), member's identification number, group number, program name, and on the reverse side the address to send the claims and the customer service telephone number. The lower left corner of the member's ID Card will display GRID+ indicating the use of the GRID+ network.

- The ID card is for identification ONLY. The ID card is not a guarantee of eligibility or benefits. FEP BlueDental recommends that you verify coverage for the date of service. This may be done by calling the FEP BlueDental Customer Service Department at 855-504-BLUE or 855-504-2583

Below is a generic sample of a FEP BlueDental ID Card.

When a member provides your office with their FEP BlueDental ID Card, it is important to also ask for their medical ID Card. The medical ID card is important because by law, the member's medical plan is the primary carrier.

Claim Submission Tips

Accurate claims submission results in faster payment. To ensure timely claims payment, you may use the following checklist as a tool. Please check the information you are providing for completeness and accuracy.

- State-issued treating Dentist License Number and Tax Identification Number (TIN)
- Patient's birth date
- Patient's relationship to the member
- Member's birth date
- Member's social security number (SSN) or identification number
- Member/patient's signature
- Current ADA procedure code(s)
- Fee for treatment
- Treatment date(s)
- Tooth number, surface and quadrant if applicable
- Treating Dentist's signature

Pre-treatment Estimates

FEP BlueDental recommends a pretreatment estimate be submitted prior to treatment for extensive oral surgery, periodontics, endodontics, major restorative, prosthodontic, and orthodontic services. We will provide an explanation of benefits to both you and the member that will indicate if procedures are covered and an estimate of what we will pay for those specific services. The estimated Maximum Allowable Amount is based on the member's current eligibility and contract benefits in effect at the time of the completed services. Submission of other claims or changes in eligibility or the contract may alter the final payment. A pretreatment estimate is not a guarantee of benefits.

Pre-treatment Review and Radiograph Submission

A pre-treatment review program will not be used by FEP BlueDental; instead, we have implemented a post-treatment program that monitors individual dentist utilization patterns.

FEP BlueDental has developed the ability to modernize the process of professional review. This process has greatly improved service to our network dentists and members because pre-estimates and claims will be processed faster and **radiographs will not be required** prior to rendering services. You may find this new process makes FEP BlueDental – easy to do business with.

Post-payment review is simple and straightforward: individual dentist utilization is analyzed periodically and compared over time to determine if changes in utilization have occurred. You may be asked to periodically provide treatment information post payment as part of the post payment review process.

Submit for Cosmetic Service only if Necessary

Cosmetic dental services **are not** covered by the plan. If you provide cosmetic services to a member, you do not need to submit a claim to FEP BlueDental. If for billing purposes to show the member the service is not covered, it is important to understand that special handling of the claim is required. All claims for cosmetic services requiring a denial of payment from FEP BlueDental must be submitted directly to: FEP BlueDental Claims, P.O. Box 75, Minneapolis, MN 55440-0075. **Do not** send cosmetic claims to the medical carrier.

Coordination of Benefits (COB)

The member's medical coverage is **always** Primary, while FEP BlueDental is Secondary. Submit all claims to the Primary medical plan first. Refer to the back of the member's medical ID card for submission. Pre-estimates of benefits can be submitted directly to FEP BlueDental. Upon completion of the dental care, submit the claim to the Primary medical plan.

Service Benefit Plan (FEP) Medical Member - Submit claims to the local Blue Cross Blue Shield Plan. Primary payment will be sent to you and then FEP Medical will forward the claim, along with the Primary payment amount, to FEP BlueDental. The primary benefit will be coordinated on the claim received from medical carrier and upon completion of Coordination of Benefits; FEP BlueDental will send the secondary payment to you.

Other Medical Member - Submit claims to the other medical carrier. Primary payment will be sent. You then submit claims and Primary remittance to FEP BlueDental for Secondary COB payment. Please hold Secondary claim submission until you have received Primary Payment and remittance from the other medical plan.

Requirements for Federal Member ID's

The following instructions only apply if primary submission is to Service Benefit Plan (FEP) Medical. Federal Member identification numbers (ID) for FEP Medical begin with an "R" followed by eight digits (e.g. R12345678). If you do not use the correct ID format for FEP Medical, claims may be rejected. Follow all claim form instructions for the proper placement of the member ID.

Reconsiderations – Claim Dispute

If you and your FEP BlueDental patient disagree with the initial decision of how dental services were processed, please encourage your FEP BlueDental patient to refer to their FEP BlueDental Brochure on how to submit a reconsideration.

Reconsiderations or claim disputes should be sent to:
